Through the Wiland modeling database, participants in the database can apply their house or prospecting model to the St. Jude Shrine file in order to connect with their ideal donor type for the highest rate of response. This opportunity is open to any non-competitive participants in the Wiland database. This can be utilized for new tests or expansion activity on the file.

St. Jude Shrine of Baltimore is the nationwide center of devotions to St. Jude. St. Jude is the Patron saint of hopeless causes. People from all over the world visit to explore the peace, serenity and hope this sacred Shrine offers. It is a place where hope and encouragement can be found.

These Catholic donors respond well to traditional Catholic devotional appeals. They are primarily direct mail donors who have made contributions to St. Jude Shrine for prayer requests on behalf of themselves or others. Donors have made donations for votive candles, novenas, and religious articles.
